CLARENDELLE

Clarendelle, Inspired by Haut-Brion, was created by Prince Robert de Luxembourg and named in honor of Mr Clarence Dillon, his great-grandfather, who acquired Château Haut-Brion in 1935. A member of the eminent Domaine Clarence Dillon family of wines (Haut-Brion, La Mission Haut-Brion & Quintus), the style of the Clarendelle wines is dictated by an expression of the Bordeaux terroir which aims to produce subtle elegance in age-worthy wines.
